## MINUTES OF THE ANNUAL GENERAL MEETING OF SUBSCRIBERS AND DONORS, HELD AT THE LEEDS JEWISH INSTITUTE ON MAY 15th, 1928.

---

Mr. L. L. Zossenheim (Hon. President) occupied the Chair at the 22nd Annual General Meeting of Subscribers at the Jewish Institute. In referring to the Report, the President said that at no time during the existence of the Hospital had there been a better Report to present. The thanks of the community were due to an enthusiastic Executive, Ladies' Committee, Medical Committee and Administrative Staff. The demand for further beds was pressing. The President further commented on the weekly subscriptions, which reached the sum of £753.

In presenting the Financial Statement, Mr. H. Freedman (Treasurer) said that since 1921 the annual income had increased from £1,321 to £3,852. The progress that had been made was thus indicative of the appreciation of the community for what had been done by the Hospital. The leadership of Mr. Lyla Goodman as Chairman had been an incentive to all to do their utmost. A very satisfactory feature had been the results of two Boxing Tournaments organised by the Vice-Chairman (Mr. J. Wurzel, LL.B.), and which had realised the sum of £1,160. The various organisations, both Jewish and non-Jewish, had by their liberal contributions during the year enabled the Executive to cope with the work in an efficient manner.

In moving the adoption of the Report, Mr. Lyla Goodman (Chairman of the Hospital) said it gave him great pleasure in doing so. The main feature of the past year was the recognition given to them by many Institutions. The publicity campaign in recent years had brought about desired results. The Hospital had now established its claim to participate in receiving its due share from efforts raised on behalf of the accredited Medical Institutions of the City. He was fully aware of the limitations of their present Hospital in regard to accommodation, etc. The Executive had therefore in mind a scheme for the building of a new Hospital, which would bring the Jewish Hospital to the forefront of Communal Institutions. The scheme could only be proceeded with by degrees. In a comprehensive and lucid manner, Mr. Goodman detailed the extensive work done by the various Sub-Committees of the Hospital, and paid a special compliment to Mrs. H. Freed-

man, Chairman of the Ladies' Committee. The introduction of a Resident Medical Officer at the Hospital had proved a great success. The administrative work inside the Hospital had never been conducted on such a high level. In further support of the new building scheme, Mr. Goodman said that if 500 subscribers became life Governors by the payment of ten guineas each, the scheme would be well on its way to fruition. In conclusion, he paid his tribute to a most loyal Committee and Executive.

In seconding the adoption, Mr. J. Wurzal, LL.B. (Vice-Chairman) said that his desire had been strong to popularise the Hospital. The results of the two Boxing Tournaments had shown a spirit of camaraderie and goodwill, in which so many of our Christian friends had co-operated for so worthy a purpose as the Hospital. He appealed to the younger members of the community to take their due share of responsibility. After Messrs. Gerald Cohen, R. Silman, M. Saipe, and J. L. Lyttleton had supported, the Report and Balance Sheet were adopted.

Votes of thanks were accorded to the retiring officers and Committee, on the motion of Messrs. S. Wolfson and R. Camrass (Vice-Presidents). In reply, Mrs. H. Freedman said it gave her great pleasure in having the opportunity of thanking the members of her Committee for the conscientious manner in which they had assisted her. The sum of £280 collected during the year for the Linen Fund was a record up to date.

The following were duly elected: Chairman, Lyla Goodman, Esq.; Vice-Chairman, J. Wurzal, Esq., LL.B.; Hon. Treasurer, H. Freedman, Esq.; Hon. Secretary, Rev. Dr. J. Abelson; Auditors, M. Sclare, Esq., and M. Saipe, Esq., and a Committee.

A vote of thanks to the Chair was moved by Mrs. H. Diamond and Mr. D. Segal.

### **Presentation to Secretary.**

A pleasant function took place at the Annual Meeting, when, on behalf of the Ladies' Committee, a presentation of a silver tea set was made to the Secretary, Mr. M. Levy.

Mrs. H. Freedman and Mr. L. Goodman dwelt upon the services which had been rendered by the Secretary to the Institution, Mr. M. Levy suitably responded,

# REPORT.

---

## **Introduction.**

The 23rd Annual Report and Balance Sheet of the Jewish Herzl-Moser Hospital, which is now in the hands of all subscribers, contains a clear survey of the manifold activities of this Institution during the past year. It is gratifying to say that progress has been well maintained, and that the scope of the Hospital is gradually becoming considerably widened. The amount of benefit which its services confer upon the local community is now unquestionably greater than has ever been the case before, and the place which it occupies in the estimation not only of the Jews of Leeds, but of our fellow-citizens of other creeds, is one that we can all be genuinely proud of.

## **Wing for Incurables.**

One tangible evidence of the greater usefulness which now characterises the Hospital is the fact that it has been found necessary to erect forthwith an additional wing, which will be used for incurable cases. This will mean an additional outlay of £700 per annum. It is a crying need which must be satisfied, and, therefore, the Executive are pleased to announce that this additional wing will shortly be opened.

## **Endowment of Beds.**

It is gratifying to report that a further three beds have been endowed, as follows: - One bed in memory of the late Mr. and Mrs. Lewis Goodman, endowed by their children; one bed in memory of the late Mrs. Jane Jackson and the late Mrs. Rachel Harris, endowed by Mr. Cecil and Miss Pearl Jackson; one bed in memory of the late Mrs. Sheba Bodlender, endowed by Mr. Sam Bodlender, son and daughter.

Thanks are hereby tendered to these ladies and gentlemen for their generous gifts, which we hope will be emulated by other friends of the Hospital. The cost of the endowment of a bed is £250, and that of a cot £100, and the Executive hope that this praiseworthy manner of perpetuating the loving memories of departed relatives will become more general as time goes on.

## **Grand Boxing Tournament.**

It is a pleasure to state that success attended the second Grand Boxing Tournament held in aid of the funds, a sum of no less than £716 having been realised. This sum really exceeded all expectations, and reflects no small credit upon the capable and energetic organisers, to whom the Executive hereby tender their most heartfelt thanks. In this connection, a debt of special gratitude is due to Messrs. J. Wurzal, LL.B. (Chairman), M. W. Wolfson (Hon. Sec.), and A. Hodgson (Treasurer), who laboured tirelessly to bring about this distinguished success. It is also gratifying to report that a large number of our Christian friends most willingly and industriously associated themselves with this worthy enterprise, and the Executive hereby accords to them its most cordial and thankful appreciation.

## **Leeds Workpeople's Hospital Fund.**

The Executive desires to thank once more the Leeds Workpeople's Hospital Fund Committee for their annual donation of £450, being an increase of £50 on the former year.

This friendly co-operation is most highly esteemed as being a clear indication of the goodwill which is felt by the above Hospital Fund Committee towards the Jewish efforts in the interests of the sick and suffering. Best thanks are hereby tendered to Mr. H. Lawrence, who has acted in the capacity of representative of the Workpeople's Hospital Committee on the Board of Management.

## **Leeds Board of Guardians.**

Thanks are hereby recorded to the Leeds Board of Guardians for their increased annual subscription from £30 to £80, and the thanks of the Board are due to Guardian Mrs. Joe Cohen for her instrumentality in obtaining this additional grant.

## **The Ladies' Committee.**

The many services rendered by the Ladies' Committee, under the devoted guidance and chairmanship of Mrs. H. Freedman, are most highly welcomed and appreciated. The meetings of this Committee have been held fortnightly, and everything has been done to ensure the proper internal administration of the Hospital. On all the Jewish Festivals, the patients have been served with increased comforts, which have given a distinctive Jewish touch to the Hospital, and also materially conduced to their happiness.

On the occasion of the Passover, special preparations were made by this Committee. On Purim a special treat was given to the patients by the kindness of Mesdames H. Freedman and S. Wolfson. On Chanukah, Mrs. Lyla Goodman was kind enough to entertain the patients to a special tea. Similarly, on all other festivals, everything was done to give the Hospital as homely an aspect as possible. In this connection thanks are due to all members of the Committee for their hearty co-operation, as well as to the Revs. Dr. J. Abelson, S. Diamond, C. Kahan, J. Samuel, and Mr. S. Hyman.

The social events organised by the Ladies' Committee have met with most gratifying results.

It will be seen from the balance sheet that a sum of £121 was voted for the purchase of surgical instruments.

The Ladies' Committee, too, deserve the best thanks of the Board for organising the Annual Ball. Thanks are due to all those ladies who collected for the Linen Fund, as well as to the Ladies' Committee, who helped with regard to the weekly canvass for new subscriptions, which have been productive of much good.

Although it might seem invidious to mention any names when all have worked so well, thanks must be accorded to Mesdames H. Freedman (Chairman), L. Sourasky, Lyla Goodman (Vice-Chairmen), M. Saipe (Treasurer), J. M. Forster, B. Harris (in charge of the Linen Inventory), Mrs. H. Isaacs (who has organised sewing meetings for the repair, marking and making up of linen, etc.), Mrs. Forster, Mrs. Mendelsohn, Mrs. J. Rosenbom, and Miss Saffer on the Sewing Committee; and Mesdames S. Sourasky, A. Mendelsohn, J. Rosenbom, S. Fish, and M. Silman (Visiting Committee).

Special thanks are due to Mrs. Sourasky, who purchased, on behalf of the Hospital, necessary requisite articles.

Thanks are accorded to Mr. D. Newton for his kindness in handing over the sum of £12 collected in small amounts for the purchase of surgical instruments.

### **Small Boxes Collections.**

A new type of metal box has been brought into operation and answers the purpose well. The Executive are grateful for the additional revenue which has accrued from this source.

## **Resident Medical Officer.**

Thanks are hereby accorded to the Resident Medical Officer, Dr. O. Tschessno, who has not only carried out his duties with great satisfaction, but has earned for himself the deepest appreciation and affection of the patients by reason of his untiring care and devotion.

## **Erev Yom Kipper Collection.**

In expressing gratitude for the response with which the Annual House-to-House Erev Yom Kipper Collection met this year, the Board ventures to express the hope that the next collection will secure better financial results.

The Board desire to record their appreciation of the public spirit shown by the many young ladies who volunteered their services in connection with the above collection. Thanks are due to the Executive of the New Central Synagogue for permission to use their room on this occasion.

## **Leeds Jewish Friendly Societies' Aid Committee.**

The inter-working between the Friendly Societies Council and the Hospital has been steady and satisfactorily maintained, and many good results have been achieved. One of the aims of this Council is to raise sufficient funds to endow beds in their name, and it is gratifying to state that the sum of £170 has already been raised for this worthy purpose. Such an achievement merits the highest commendation, and is certain to reflect no small honour upon the activities which fall within the scope of the Jewish Friendly Societies in Leeds.

Best thanks are hereby tendered to the hon. officers and members of the Friendly Societies' Aid Committee for their assistance.

## **Leeds Junior Charity Organisation.**

A special debt of thanks is due to the Junior Charity Organisation, the members of which have made a further liberal contribution to the Hospital funds, as a result of their hard and conscientious work. The Board sincerely trusts that this organisation may go on from strength to strength, not only because of the financial aid which the Jewish Charities receive, but because of the moral benefit that is produced in the training of workers for charity.

## **Weekly Contributions.**

A special canvass was organised successfully to augment the weekly subscriptions. Five hundred new subscribers have been enrolled during the year.

Best thanks are tendered to all the ladies and gentlemen who assisted in making the canvass the success it was. It is particularly gratifying to note that many of these ladies and gentlemen who co-operated were non-members of Committee.

## **The Medical Staff.**

The Board of Management desires to record its deep appreciation of the valuable services rendered by the Hon. Consulting Staff, the Hon. Specialist Staff, the Hon. Visiting Staff (Drs. M. Umanski, J. Friend, S. Samuel, I. Silverton, H. Sinson), the Hon. Anæsthetist (Dr. S. Dunsby), the Matron (Miss M. E. Leng), and the Nursing Staff, for their attention to their duties at all times.

The opportunity is also taken of extending heartiest congratulations to Lord Moynihan on his elevation to the Peerage.

The Board is deeply grateful to the Executives of the Leeds Sylvian Dramatic & Operatic Society, the Leeds Claytonians' Amateur Dramatic Society, the "Yorkshire Evening News" for their grants to the Hospital; to the Bernhard Baron Charitable Trust for their donation; to the Anglo-Jewish Association for their kindness in making the Hospital a grant re the Kadoorie Bequest; to Mr. and Mrs. D. Segal, the organisers of the Children's Purim Carnival, whose object is to endow a cot in the Hospital in the name of the Jewish children of Leeds; and to the staff and employees of Messrs. Alexandre Ltd. and Mr. I. D. Black, for their assistance during the year, as well as to Mr. L. Nathan, for his assistance rendered as Chairman of the Finance Committee; to Mr. S. Goldman, who has rendered valuable service for so many years as Hon. Investigator; to the Hon. Solicitor, Mr. F. Blackston; to the Hon. Accountant, Mr. W. Clayton; to the Hon. Auditors, Messrs. M. Selare and M. Saipe; to Mr. Rochford, for his clerical services; to Mr. Barofski, for presenting a microscope to the Hospital, in memory of his wife; to Mrs. Cainer, for her valuable gift of a medical cabinet; to Mr. L. Carr, for his collection of silver paper; to Mr. D. Dunsby, for his assistance in connection with the purchase of drugs; and to Mr. A. Fisher, for his service in connection with the wireless installation,

Warmest thanks are also due to the Executive of the Leeds Jewish Institute for kindly allowing us the use of their rooms for the holding of General Meetings.

The services of the Secretary (Mr. M. Levy) deserve to be specially commended, as the satisfactory result of the year's working could not have been achieved were it not for the enthusiastic zeal displayed by the Secretary in promoting the welfare of the Hospital.

### **Life Governors.**

As a step towards the eventual erection of a new Hospital to replace the present one, the Executive have launched a scheme whereby, on payment of a sum of 10 guineas, it will be possible for all those who desire it to become Life Governors of the Hospital. It is pleasing to state that approximately a hundred Life Governors have already been enrolled. The Executive earnestly trust that during the coming year there will be 500 such Life Governors. The 5,000 guineas thus accruing will serve as the nucleus for planning the erection of the projected new buildings.

### **Obituary.**

The Board records with extreme sorrow the death of Mr. Victor Lightman, J.P., who was a Vice-President of the Hospital for many years, and was deeply interested in its work and progress. In common with all other Jewish Institutions in Leeds, the Board deplores the loss of his capable influence and personality, and hereby tenders heartfelt condolences to all the members of his family.

The Board regret to record the death of Mrs. Annie Jacobson, who had laboured most assiduously for the Hospital for a large number of years.

The death of Mr. M. Jacobs, a member of the Board, is also hereby recorded with regret.

## Conclusion.

Whilst noting with great satisfaction the truly sympathetic manner in which all sections of Leeds Jews are rallying to the cause of the Hospital, the Executive feel it necessary to emphasise the increased amount of labour and responsibility devolving upon the administration. A glance at the statistical summary on page 14 will demonstrate the largely widened scope of the Hospital's work, as well as the additional features of its activity. An instance of this is afforded by the increased number of surgical operations which now take place, and which incur a largely additional financial and moral responsibility.

The Executive, however, feel confident that they possess the goodwill of the whole community, and, fortified by this feeling, they hope to carry out successfully whatever new projects they may cherish for the continued well-being of the Herzl-Moser Hospital, which occupies so exalted a place in the estimation of all who are interested in bringing relief to our sick and suffering brothers and sisters.

LYLA GOODMAN, Chairman.

## REPORT.

---

When the last Annual Balance Sheet was printed this Committee had just been incorporated, and only a cursory notice of its activities was possible.

Now, after a period of twelve months, I am in the happy position to report that the results obtained during the first year have exceeded all expectations, and that under the guidance of a very able Executive everything is working harmoniously. It is, indeed, a pleasure to note how well the members of the various Friendly Societies have joined in the movement, and have given their support to the efforts of the Council.

The first function which was undertaken, namely, a concert at the Scala Theatre, was a great financial success, as was also the Garden Fete, held, with the kind permission of Mr. and Mrs. H. Goldberg, at Althorpe Villa, in September. As a result of these two efforts, the Council has been able to hand over to the Hospital the handsome sum of approximately £100. It is the hope of the Council that in the course of a few years they will be able to endow four or five beds at the Hospital in the name of the Leeds Friendly Societies.

A word of thanks is due to the ladies of the Committee, and to the Chairman and Treasurer for the manner in which they have kept the Council at work in its aim to aid the Hospital, and to the Honorary Secretary, Mr. S. Goldblatt, for the organisation of the Committee, and both the Concert and the Garden Fete.

The Secretary wishes to take this opportunity to point out that every Society is entitled to send two delegates to the Council, and would be pleased to hear from those who as yet have failed to send in the names of their representatives.

By order of the Board.

S. GOLDBLATT, Hon. Sec.

---

Since the end of the financial year another concert has already been given at the Leeds Empire this year, and an additional sum of £70 has been handed over to the Hospital. It is our endeavour to raise sufficient funds during the next few months to be able to endow the first bed in the Council's name before the end of 1929. About £80 is necessary. It is, therefore, greatly to be desired that everyone will make a special effort during the coming months to achieve the first step in the fuller scheme we have in view.

POSTAL ADVERTISING SERVICE  
PEARL CHAMBERS · EAST PARADE  
LEEDS.

TELEPHONE NO. 25019

**q** If there were only one person in the Country whose business you wanted, it is clear that advertising to anyone else would be sheer waste.

The reason postal advertising is successful is that there is no waste circulation. Every communication is sent only to people directly interested—actual definite prospects.

A Mailing campaign properly conducted is full of profit making possibilities.

There is no more effective way of building good-will — opening new accounts, and making your goods or service known.

Mailing Lists are compiled for any trade —any district—any Country.

*There are 2 essentials in  
making a bottle of Medicine.*

- (1) The quality of the drugs must be of the highest.  
Put quality above price in drugs.
- (2) Although drugs are necessary in a medicine, they do not make it. If they did, there would be no science of Pharmacy, no art of Dispensing. It is scientific knowledge and strict pharmaceutical training that combine to maintain the high standard of dispensing

Good quality drugs, scientifically dispensed are synonymous with this Pharmacy.

# *IS IT FINISHED ?*

---

When the last brick was laid, the last slate fixed, the last window in, some foolish man said his house was finished. Finished? Scarcely begun! It's Furniture that makes the home. The long, low, Chesterfield, with fathomless depths of sheer unadulterated luxury. The stately dining room chairs, clustering round a graceful table. The tall, upstanding bookcase . . . but why describe what you can see so pleasantly in the wood at our showrooms. For we supply the Furniture that makes the home. At most alluring prices too . . . So low.

(b) The following are unsuitable for admission as In-patients :—

- i. Persons who, upon examination, are found to be suffering from incurable diseases.
- ii. Persons suffering from chronic complaints, which are so tedious of cure as to preclude the admission of more urgent cases.
- iii. Cases requiring merely rest.
- iv. Cases of Mental Diseases.
- v. Patients who, in the opinion of the Hospital Authorities, would be more suitably treated at another Institution.
- vi. Those capable of receiving adequate treatment as Out-patients.
- vii. Those suffering from Infective Fevers and acute Venereal Disease.

(c) Patients can be admitted to the Hospital on their application from any Registered Medical Practitioner who will specify illness and sign Medical Certificate on application form.

(d) Application forms shall then be handed to Secretary at Hospital.

(e) The Resident Medical Officer shall determine the severity and priority of cases.

(f) All patients accepted for in-patient treatment should be prepared to answer questions regarding their circumstances. They will be required to contribute towards the cost of maintenance, according to their means. This cost shall be fixed by the Investigation Committee.

(g) Each inmate shall, on admission, sign a contract in such form as may be determined upon by the Council.

## **FINANCIAL YEAR 1928-29.**

---

As the Financial Year commences on January 1st, 1928, the Treasurer appeals most earnestly to you for payment of your Subscription as early as possible. This would be of the greatest service to him, not only in the collection, which entails a considerable amount of work, but also in the matter of Bank Interest, as we are invariably overdrawn, and an early payment of Subscriptions would save a considerable amount in interest alone.
